

of our 3.6 million acre  
**GREENBELT**  
 is  
**FARMS & RANCHES**  
 that's 2.3 million acres

**Annual Gross Production  
 Value of Farms & Ranches**

**Total Economic Value**

**Acres of Farms & Ranches  
 Lost To Sprawl Since 1984**

**That's an area of land more than  
 7x the size of San Francisco.**

**The threat of working lands  
 being converted to urban  
 development continues,  
 threatening the region's  
 food industry and the social,  
 economic, and natural  
 values it provides.**
